Dear Mayor Lainovic

I apologize for not being able to attend the very important meeting on water pollution in Vrbas tomorrow.

For your information we confirm the directorate's commitment to participate significantly to the investment for the Central Waste Water Treatment Plant as discussed in EAR's offices in March this year. Our pledge on condition of a fullyfinanced investment will be between 3 and 4 million Euro out of a total of an estimated 13 mill. Euro.

Again I am terribly sorry for the inconvenience my late cancellation has caused. I wish you all the best for the meeting tomorrow.

Sincerely yours,

N. Marjanović
